

Now Hiring — Interior Designer

If you design to be a part of a team based Architecture and Interior Design studio focused on cultivating a sustainable built environment designed for all ages and abilities Shelter may be the right fit for you.

Shelter conceives and executes highly inventive design solutions for people and organizations who have a deep appreciation of great design. We love to work with wildly independent folks, in trusting and supportive collaboration, who possess bold vision and strong opinions.

We are currently in search of a self motivated, organized and highly creative Interior Designer with about 4 years of experience.

This team member is responsible for design and presentation drafting on interior design projects, including schematic design tasks, design development and documentation. Plans, designs, and furnishes interiors of residential, commercial, or industrial buildings. Formulates designs that are practical, aesthetic, and conducive to intended purposes, such as raising productivity, selling merchandise, or improving lifestyle. May specialize in a particular field, style, or phase of interior design. Acquiring a thorough knowledge of interior design practice with emphasis on design, finish materials, construction methods, and project costs/codes. May provide direction to lower-level interior designers.

Responsible for specific technical design aspects of an assigned project including investigation, evaluation, and recommendation of design solutions. Performs assignments under direction. Provides professional design consultation in the planning, design, and coordination of small to large complex projects. Independently makes decisions on significant interior design problems and methods. Reviews and approves conceptual designs. Carries out complex or novel assignments requiring the development of new or improved techniques and procedures

If this sound like you we would love to connect. Please fill out this application and send it along with a cover letter, current resume and portfolio all in PDF format to career@shelterarchitecture.com
